SPRING NEWSLETTER APRIL 2018

Welcome to the first of our quarterly newsletters (our Spring edition). We will share with you any news or announcements and we hope you will find this an interesting read.

New Software Fully Installed

Thanks to some funding from Nottinghamshire County Council and the Freemasons of Bassetlaw we were able to purchase new purpose made software for use across all of our transport, home support and befriending work streams .

The software will enable us to process the majority of our administration functions more effectively, allowing us to meet future increased demands on our services without significantly increasing the overhead costs.

We have been trialling the software over the past few months and are now ready to move over to the new system.

We're Hiring ...

We are currently looking to increase our staff team with the following roles:

TRANSPORT BOOKINGS ADMINISTRATOR

HOME SUPPORT REGISTERED MANAGER

Lynn Tupling, Chief Executive was delighted to accept the grant offer saying “The funding from the Lloyds Bank Foundation will make a huge difference to very many people in Bassetlaw who need support with a variety of issues around their housing needs and will support people to remain independent in their own home or to move to more suitable accommodation to meet their needs”
