SUMMER NEWSLETTER

AUGUST 2018

Welcome to our Summer Newsletter. We hope you are managing to stay cool in this exceptionally hot weather. Don't forget to keep an eye on your older friends, family and neighbours. Older people don't cope well with exceptionally high temperatures and should take extra precautions like wearing a hat, staying in the shade and drinking plenty of fluids.

Lloyds Bank Enhance Award

In addition to our successful application to the Lloyds Bank Foundation for our Housing Choice service, we are delighted to announce that we have also been successful in securing an Enhance Award which will allow us to have a business mentor to help us to strengthen our organisation and in addition we have been granted the use of the Outcomes Star. This is a nationally recognised monitoring and outcomes measuring tool that will be used across the organisation to enable us to demonstrate the difference that we make.

Volunteers Needed

We desperately need volunteer befrienders and drivers throughout Bassetlaw—contact us for details.
