AUTUMN NEWSLETTER

NOVEMBER 2018

Welcome to our Autumn Newsletter. We hope you are managing to keep warm and avoid those winter chills. Don't forget to keep an eye on your older friends, family and neighbours.

Garfield Weston Foundation

Anniversary Fund Grant

We are delighted to announce that we have received a grant of £150,00.00 to buy our own building for Bassetlaw Action Centre. This will make a real difference going forward as not only will it provide additional security to the organisation, but it will also enable us to reduce our annual rent overheads and reinvest this money into our charitable activities. We are very grateful for the support from the Garfield Weston Foundation.

Staying Well Programme

We have new dates available for this course which has been designed to help people with a long-term condition regain as much control over their physical and emotional well-being as possible. It complements existing healthcare programmes and treatments, empowering participants to be more informed and better able to develop partnerships with their medical practitioners.

The course consists of 2½ hour sessions once a week for six weeks. Places are already filling for the Retford Course starting on 9th January 2019 and the Worksop Courses starting on 7th January 2019. Phone us to book your place now.

Staff Update...

We welcome Bryn Kinsey as our new transport bookings administrator and Helen Baker as our new transport coordinator. Melanie Hinde has left the transport department to develop her Home Support role.

Home Support Workers and Volunteers Required!

We are looking to increase our team again and need:

- Part time Home Support Workers
- Volunteer Drivers and
- Volunteer Befrienders
