A project which aims to help you to keep your home warm in the winter through a range of solutions

Keeping Warm & Well

‘Cold homes have a significant impact on people’s health. One of the best ways of keeping yourself well during winter is to stay warm.’

Keeping Warm & Well is a project which aims to help you to keep your home warm in the winter through a range of solutions.

This can include:

- Energy tariff switches to ensure you aren’t overspending on your gas and electricity.
- Identifying and assisting you to apply for funding for energy saving measures or to replace faulty equipment where applicable.
- Registration on to the priority services register.
- Referring for draught excluding measures and winter warm checks to make sure your home can stay warm.
- Benefit check to ensure you are in receipt of correct benefits.
- Help and advice with fuel debt.
- Promotion of energy awareness to the residents of Bassetlaw.
