INTRODUCTION

WHY WE HAVE PRODUCED A DIRECTORY OF OLDER PEOPLES SERVICES

Bassetlaw is fortunate that it has many active groups to support and improve lifestyle. Access to information about how and where services are provided is very important.

As a result, Bassetlaw Action Centre produced this Directory to inform Older People about the services available.

UPDATING THE DIRECTORY

We want to keep the information in the Directory as up to date as possible. It will be amended every twelve months. An on-line version is available at www.bassetlawactioncentre.org.uk

We have tried to include as much information as possible but there may be gaps. You may know about a service/group that should be included in the Directory or a service/group that no longer exists. If you want to make amendments to the information, please contact

AURORA WELLBEING CENTRE – WORKSOP

The Aurora Wellbeing Centre in Worksop is a unique therapy service providing support in the Bassetlaw community for people affected by cancer and long-term health conditions. We encourage people to be active participants in their wellbeing, working together to improve physical and emotional health.

We deliver our services for Bassetlaw from the Old Library and Museum building in Worksop. We open at 9am Monday to Friday and close to the public at 4pm. Our therapy appointments close at 5pm.

From our Therapy Suite we offer specialised cancer support, beauty and holistic therapy, one to one and group counselling, wellbeing workshops, family therapy and counselling for young people affected by cancer and regular support groups.

From our Heritage Hub we encourage people to engage with local heritage in many ways to boost wellbeing. We deliver activities inspired by history and heritage including a Heritage Café, Art Therapy groups, History Maker family events and heritage-inspired social groups. We are open to visitors every day and share the history of Worksop through handling objects and sharing stories.

From our Curve we have a range of fitness equipment and run a programme of specialised exercise sessions, with some general sessions for the public. We also run regular exercise groups such as Tai Chi, Pilates and Yoga.

From our Community Space we have a tea-room, charity shop, hireable meeting rooms and community spaces. Valerie's Tearoom overlooks the park and has a selection of home cooked food. Our popular charity shop is volunteer led and is the place to pick up a bargain. Our meeting and community rooms are used as relaxed spaces for support groups including a regular bereavement group, prostate cancer support group, partners group and drop-in support groups for people with long term health conditions; as well as rooms to be hired out for meetings, workshops and training.

We are open to everyone and have a varied programme of sociable, supported, educational and relaxed activities, events and projects to boost your wellbeing.

For more information, you can contact us in many ways.

EXTRA CARE HOUSING SCHEMES IN NOTTINGHAMSHIRE

Each scheme is different and what is available varies from site to site.

However, each scheme will have:

- Housing - a range of modern and affordable one or two bedroom homes available to buy, rent or part own which are purpose-built or adapted for your care and support needs
- Personal care support - staff are available 24 hours a day to offer you support
- Communal areas - these might include a cafe, hairdressers, library, guest accommodation for your visitors, a day centre with organised activities and outings
- Neighbourhood facilities - extra care schemes are based within local communities so the usual range of neighbourhood facilities are close by such as leisure centres, shops, GP surgeries and public transport.

Some extra care sites have dementia units which provide specialist care in a community setting.

BASSETLAW TELEPHONE BEFRINEDING

Face to Face Befriending

Our befriending scheme can receive referrals from anyone who is suffering from extreme loneliness. Befriending is a means to reduce isolation and increase independence.

Our clients are placed with a befriender who will visit them for one hour a week in their own home or telephone them to chat and encouraging them to make positive choices to help them to help themselves.

When the clients are referred to us, we match them with a volunteer, who may have similar interests and hobbies and lives in the same area. This service is free of charge, but there may be travel costs incurred for the volunteer mileage if they are visiting in the home.

Telephone Befriending

Our telephone befriending is a free service which offers weekly calls made to our clients by volunteers.

As with home visits, we ensure to match our clients with a volunteer who may have similar interests or hobbies, and the volunteer will encourage clients over the duration of the call to make positive choices.

For those clients who are unable to have home visits or use the telephone we may be able to offer befriending letters.

Peer to Peer Befriending

Peer to peer befriending is a great way for clients to support each other through weekly telephone calls. Befriending not only benefits the person who receives the call but also the person who provides the call. People often volunteer for Befriending as a way to reduce their own isolation and loneliness whilst helping another person.

As such we now offer Peer to Peer Befriending Support. This is where 2 clients waiting for a volunteer will contact each other via telephone and Befriend each other. This enables both clients to give and receive support, build friendships and help each other overcome their feelings of loneliness and isolation.

THE BASSETLAW ACTION CENTRE VOLUNTEER OPPORTUNITIES

Volunteer Befriending

Do you like chatting to people? Are you a good listener? Could you offer an hour a week? If so; Befriending could be for you!

Our befriending scheme is available for people who are identified as socially isolated. We hope to reduce isolation and increase independence for our clients by providing befrienders who will encourage clients to make positive choices and help them to help themselves. The befriending service is currently telephone based and our volunteers offer their support to clients through regular phone calls.

Bassetlaw Community Car Scheme

If you enjoy driving and meeting people and are looking to help the local community, you are the ideal person to be a volunteer driver. Any amount of time that you are able to give to the scheme is welcomed, even an hour or two each week. We are all part of a friendly team and drivers help and support each other in addition to receiving support and training from the staff at The Bassetlaw Action Centre. We do not put any pressure on our drivers and are grateful for any amount of time that they are able to give to the Car Scheme. Many clients have managed to remain independent because of the valuable help they have received from our volunteer drivers. We pay 45p per mile for every mile that you drive on behalf of the scheme.

Bassetlaw Community Car Scheme Plus

We are also looking for drivers for our Community Car Scheme Plus vehicle. This vehicle has been fully adapted for wheelchair users and offers a door to door service for people of all ages. The vehicle is also able to carry up to 4 passengers. We provide all training for this vehicle which will help individuals to travel in safety and comfort to make those important appointments, get to work or simply socialise with friends for an affordable fare.

Bassetlaw Community Minibus

We are always looking to add to our bank of volunteer drivers for the minibus at The Bassetlaw Action Centre. The minibus has the facilities to enable wheelchair users to board and alight using a passenger lift and specialist equipment to secure both the user and their wheelchair. All our drivers must hold D1 on their driving licence and will undergo an enhanced DBS check and MiDAS training.

Office Administration

We have limited opportunities for volunteers to help within our Bassetlaw Action Centre offices, duties including, making and receiving telephone calls, using up to date computer packages and supporting our existing staff.

If you are interested in becoming a volunteer for the Office Administration, Community Car Scheme, Community Car Scheme Plus or Community Minibus or have any questions about any of the Schemes.
